CITY PROVIDES UPDATE ON AMERICAN LAKE FISHING PIER

Mary Dodsworth presented an update on the City's plans for the pier. In place of a U-shaped dock, the current plans are for an L-shaped stable pier that will be ADA accessible. For more information, contact Mary at 589-2489.

October 3 2008

PFP's application to the City is approved

The City of Lakewood is allotted 12 days per year at the Sharon McGavick Student Center. PFP made application to use the venue under the city's new guidelines. Approval was granted.

Attend PFP's next meeting (see below) to help plan our second annual Black Tie and Blue Jean's Ball.

We need people to help our committee chairs as we try to top the fun had by guests at last year's event.

FINANCIAL REPORT

PFP's bank balance stands at just over \$43,000. The annual car show held during Summerfest and last year's Black Tie and Blue Jean's Ball have been the source of these funds.

Our goal for this year's BT&BJB is to raise \$40,000.

Next PFP meeting is scheduled for Friday, December 5 at 7AM. Room 3A - City Hall - Breakfast provided!
